Notification regarding completion of merger of Bergius Trading AB

Dear supplier,

By decision dated 2026-05-15, the Swedish Companies Registration Office (Bolagsverket) has granted permission to complete the previously announced merger, which entails that SE556235877901 Bergius Trading Aktiebolag has been dissolved and merged into SE556140324601 AxFlow Aktiebolag.

AxFlow AB assumes all rights and obligations of Bergius Trading AB.

For you as a supplier, this means that invoices will be paid by AxFlow AB and this will not affect the payment of your claims. Future invoices relating to goods or services that you have previously supplied to Bergius Trading AB shall instead be issued to AxFlow AB. Information about the company is provided in a separate enclosure.

The staff from Bergius has been transferred to AxFlow, with the exception of the former Managing Director, who is now retired but will act as a consultant during the year.

If you have any questions regarding the merger or upcoming deliveries, please contact us by e-mail at kundservice@axflow.se.

Yours sincerely,

Niklas Holmstedt

Managing Director, AxFlow AB
